March ushers in springtime, so why not give those around you an extra hand with spring cleaning as you think of good deeds this month? Here are age-appropriate lists of good deeds.

**GRADES K–6**

1. With your parents’ or teacher’s help, organize a bake sale in your neighborhood or around school and donate the proceeds to your local women’s shelter for **Women’s History Month**.
2. Pick a bouquet of flowers and give them to someone special.
3. With help from your parent or guardian, help make a pancake breakfast for your family on March 5 for National Pancake Day.
4. Make cards and give them to the important women in your life, like your mother, aunt, teacher or coach, for **International Women’s Day** on March 8.
5. It’s time for spring cleaning, so ask your teacher if you can help them tidy up your classroom by organizing a bookshelf, picking up trash or cleaning the whiteboard.

**Teachers/Parents:**

Thanks for continuing to teach children about the importance of doing good deeds. Drop us an email if you have any questions at info@911day.org.

Please share your good deeds on social media with #mygooddeed.

**GRADES 7-12+**

1. Make a healthy lunch for your parents or guardian to take to work during National Nutrition Month. (Or make your own healthy lunch for school, if they do it for you every day.)
2. After school or work, volunteer to read your favorite children’s book written by a woman to younger kids in your community at a public library or afterschool program for **International Women’s Day** on March 8.
3. Daylight Saving Time begins on Sunday, March 10, so tell your parents that you’ll help set all the clocks in your house forward one hour before you go to bed.
4. Plan a study group with the people in your math class on March 14 and share your favorite kind of pie with them on **Pi Day (3/14)**.
5. As the season changes, help your parents with spring cleaning by cleaning the bathrooms or vacuuming your house.
